Amerton Railway

Amerton Railway Classic Car and Vintage Rally- Sunday 12th September 2021

Conditions of Entry

If you have any queries regarding these, need further information, or have special requirements please do not hesitate to get in touch. This is our first event of this type and want to help all those attending have an enjoyable day.

SNGR is the Staffordshire Narrow Gauge Railway Limited (Amerton Railway)

1. General

- 1.1. A steam powered exhibit that is intended to be in steam while on site must have a current boiler certificate and third party insurance cover appropriate to its function.
- 1.2. All stationary engines and static exhibits must have appropriate third party insurance. The organisers may, at their discretion, waive this condition for non-operating static exhibits.
- 1.3. Any self propelled vehicle or exhibit and driver thereof must be covered by insurance that meets the minimum requirements of the Road Traffic Act irrespective of whether the exhibit is or is not licensed for use on the public highway.
- 1.4. Relevant certificates must be produced when requested.

2. Stationary Engines

- 2.1. When in operation a Stationary Engine must be attended at all times by either the entrant or a responsible person delegated by the entrant.

3. Steam and other Similar Vehicles

- 3.1. SNGR normally permits the free movement of small models around the site. Exhibitors intending to operate large models or full size engines must consult with SNGR Marshalls prior to the event regarding the provision of suitable facilities.
- 3.2. Entrants/owners must ensure that their models are only driven by persons insured and competent to do so, and that they are driven in a safe and proper manner at all times.
- 3.3. Engines in steam must never be left unattended.

4. Cars and other Road Vehicles

- 4.1. Static display only.

5. Dogs on Site

Due to the proximity of sheep to the area this event will be held in we politely ask that you only bring dogs if you absolutely must. Any exhibitors bringing dogs must adhere to the following.

- 5.1. Exhibitors may have dogs with them on site if they are on a lead at all times and not allowed to run loose.
- 5.2. Dogs (other than guide dogs) are not permitted in any building.
- 5.3 Owners are responsible for cleaning any mess made by their dogs.

6. Covid 19

- 6.1 Government rules regarding Social Distancing may well still apply at this time.
